The Shaolin Sisters–Julin, Kalin and Seilin–are in search of their stolen bells. The hunt is urgent, as the nefarious Bai Wang intends to use the magical bells to unleash a horrible power. Bai Wang's formidable fortress now looms large before the sisters. But as the stalwart siblings ready their raid, the mysterious masked man known as Drake swoops in on the action and fiercely battles Bai Wang for control of the bells. In the skirmish, Drake is unmasked–and the revelation of his true identity is enough to shatter Julin's stone fist!

Chapter 11:
The Killer's Conscience

Cast of Characters

Seilin
The eldest sister, a pirate queen. So good at fighting, she can even walk on the air. Keeps a swordfish as a pet.

Julin
Our heroine, a lively fifteen-year-old. Mastered the Shaolin Stone Fist in her training at Fighting Fang Hall. She searches for her father, Ryu.

Juliney
Julin's pet.

Kalin
The middle sister, disciple of the Gold Pavilion. Quiet, but a skilled martial artist.

Hina
Kalin's pet.

Drake
Masked man from Li Feng Peak. Under orders to retrieve the sisters' bells. A powerful adversary with superhuman skills.

Kio
Julin's childhood friend and training partner. Missing after a fight with the White Lotus Clan.

Bai Wang
The White Queen of the White Lotus Clan wants the sisters' bells. She believes they are the "Secret of Shaolin"—the power to rule the world! She appears to have superhuman strength.

STORY SO FAR: It is an age when warriors rule. After an attack by Bai Wang's White Lotus Clan, Julin's master gives his dying breath to impart a secret. Julin learns of her two lost sisters, each possessing a bell like her own, and embarks on a journey of discovery. On the very night that Julin meets her middle sister, Kalin, the White Lotus Clan attacks again. It seems Bai Wang wants the sisters' bells, claiming they are the key to the "Secret of Shaolin"—the power to rule the world! Now the girls are in a race to locate their older sister, the pirate queen, Seilin. Upon discovering and boarding Seilin's vessel, all three bells mystically begin to ring in unison! Seilin, however, is unconvinced of the girls' familial claims and challenges the pair to a test of combat. In the midst of the fight, who should appear but Bai Wang, drawn by the ringing of the bells. Suddenly, another mysterious figure named "Drake" appears and demands that the bells be returned to him. When the dust settles, Drake holds both Kalin and Julin's bells, with Seilin's in the possession of Bai Wang. As our story begins, Kalin and Julin have resolved to get their bells back—even if it means taking on the White Lotus Clan on their home turf.

The sisters, Drake, or Bai Wang: Who will emerge with the key to the "Secret of Shaolin"?
